CABRIO R

UI/UX DESIGNER • PRODUCT DESIGNER • WEB & NO-CODE DESIGNER

Coimbatore, Tamil Nadu | +91 9025910261 | capriocaprio00@gmail.com | https://cabrio-portfolio-jctt.vercel.app/

PROFILE SUMMARY

UI/UX and Product Designer with hands-on experience in user research, wireframing, prototyping, responsive web design, and design-to-development workflows. Experienced in creating websites and digital experiences using Figma, Webflow, Framer, and no-code tools, with practical project experience for Tamil Nadu Agricultural University and BioFarmux. Comfortable collaborating with teams, using AI-assisted design workflows, and taking projects from concept to launch.

EDUCATION

Bharathiar University, Coimbatore, Tamil Nadu — *B.Voc Multimedia & Animation*

Currently Pursuing 3rd Year

- Coursework: UI/UX Design, Graphic Design, Motion Graphics, and Digital Media.
- Hands-on experience through creative, interface design, and digital projects.

EXPERIENCE / INTERNSHIP

Full Stack Designer | *Digital Marketing Agency* 3 Months – Present

- Design and build responsive, interactive landing pages using Figma, Webflow, and Framer.
- Set up and maintain no-code backend systems for data and forms using Supabase.
- Collaborate with marketing and development teams from concept through launch.
- Use AI-assisted workflows to improve design-to-development handoff and productivity.

UX/UI Designer Intern | *Brand Monk Academy* 5 Months

- Conducted user research and usability testing to improve user experience.
- Created wireframes, user flows, and interactive Figma prototypes.
- Designed responsive layouts and reusable Figma components.
- Assisted with website redesigns, navigation improvements, and brand consistency.

SELECTED PROJECTS

Tamil Nadu Agricultural University — Website Design & Development

- Designed and built a modern responsive university website experience, focusing on information architecture, navigation, visual hierarchy, and usability.
- Worked across UI design and web implementation to create a clearer, more contemporary digital experience.

BioFarmux — Website Design & Development

- Designed and developed a responsive business website with clear content structure, modern UI, responsive layouts, and user-friendly navigation.
- Translated design concepts into a functional web experience using no-code and AI-assisted workflows.

Quick Byte — Food Pre-Ordering App | UI/UX Design | Personal Project

- Designed 32+ screens covering browsing, customization, checkout, payment, and order tracking.
- Focused on a simple, intuitive flow for first-time users and a consistent component-based interface.
